

Cybersecurity Awareness Drive Conducted by Encrypted SEC Club at Shri Sharda English Medium School, Kopargaon.

27-Sept-2025

Students gain essential knowledge on online safety, digital hygiene, and cybercrime prevention under the guidance of Encrypted SEC Club.

The Encrypted SEC Club of Sanjivani K.B.P. Polytechnic, Kopargaon, in collaboration with the Lions Club Shrirampur, successfully conducted a Cybersecurity Awareness Drive at Shri Sharda English Medium School, Kopargaon. The session was led by Atharva Pawar, President of the Encrypted SEC Club, and Shruti Sonsale, Red Team Leader, and other Club Members who educated students about the importance of online safety and the growing need for cybersecurity awareness in the digital age.

The session covered essential topics such as safe internet practices, password protection, identifying phishing and scams, and protecting personal information online. A special segment focused on digital ethics and responsible social media use, encouraging students to think critically before sharing information online. The event was conducted under the esteemed presence of Principal **Mr.K.L.Wakchaure** and **Mr.Ranjit Khale** and **Mr.Swapnil Patil**, whose guidance added immense value to the initiative. The Principal, along with the faculty and staff, appreciated the Encrypted SEC Club team for their efforts in simplifying complex cybersecurity concepts and making the session interactive and educational. The awareness drive left students more confident and informed about staying safe in today's connected world.
